Good fun had by all, do visit if you get the chance, we didn't have time to everything before we had to leave!

## Eco Council

The Eco Council have installed the Hedgehog House in the garden and fingers crossed it will have some visitors.

They have had some bird boxes and planters made from wood that would have gone to landfill and they will be selling the bird boxes to put towards funding a project next term, buying compost, seeds and bird food for the winter.

## Requests for leave of absence during term time

Reminder that the LSP Attendance Policy states that absences should only be granted in exceptional circumstances and a family holiday does not constitute such an exception. The Lighthouse Schools Partnership policy is in line with the May 2022 statutory guidance to schools. In almost all cases a request for a holiday in term time will have to be refused and if the unauthorised holiday is for 5 or more full days it will incur a Penalty Notice. Please follow this link for the attendance

## A few reminders

**School Meals** – Please make sure your orders are up to date, sometimes there are no spare meals, so you will be asked to bring a packed lunch in.

**Jewellery, make up & precious items** – Just a reminder that children should not wear any jewellery, except a small pair of earrings for pierced ears, they can also wear a watch.

Please can we ask that children do not come to school with make-up on.

We would encourage children not to bring in precious items from home, as they may get broken or lost.
