Chew Valley Arts Drama Workshops

Last Thursday, every class enjoyed a Drama session from 'Chew Valley Arts'. Hedgehogs session was based around the local area, especially Chew Valley Lake and how 'Old McDonald' wanted to get the treasure from the bottom of the lake but a monster wanted to stop him! The children had so much fun and really enjoyed exploring the drama activities

Otter class complete Bikeability Level 1

On Monday and Tuesday every child in Otter class completed Bikeability Level 1. On Thursday a small group also completed Level 2 and more children will be going out on the roads with the instructor Mark in the coming weeks. Mark said "The children were an absolute pleasure. I was really impressed with their listening skills, willingness to try new things and how they encouraged one another."

Thank you to Chew Valley Cycling Club and the PTA for funding the cost of these courses.

Don't forget with the winter light it is very important to make sure you are visible when out cycling. Please always wear a helmet too.
