Dear Parents/Carers,

As you are aware, the school had an Ofsted Inspection on February 8th 2023. I am now able to share the report with you. Attached to this letter is a copy of the report which can also be found on our school website. This is the first Ofsted report since the school joined the Lighthouse Schools Partnership Trust in 2019. The previous Ofsted inspection visit was in February 2017.

We are pleased to inform you that Ofsted inspectors agreed with our self-evaluation that we continue to be a GOOD school. The report is immensely positive and recognises that *'staff have high expectations of what all pupils can achieve'* and *'pupils have positive attitudes towards their learning.'*

Inspectors recognised the hard work that goes into making our school a great environment for children to learn and develop. They saw how the school plays an important role in the local community and praised our *commitment to developing a strong reading culture.*

'Pupils enjoy coming to this inclusive and welcoming school. Pupils of all ages learn well together. They are well looked after and feel safe.'

I would like to thank you for your amazing ongoing support. We are immensely proud to work at such a fantastic school and look forward to building on this success in the future.

Yours Sincerely

Ian Harvey
