

Ubley School PTA Christmas Activity

Because it's never too early to mention the 'C' word here is a little rundown of the Christmas fundraising activity the PTA are planning this year. As always, your donations, help and support are massively appreciated - Thank you!

Secret Present Room

A festive fave...the Secret Present Room will be returning this December. It's a chance for all children to select a Christmas gift for their parents, grandparents or a loved one and have it wrapped by our team of elves. We're now collecting donations of any unwanted gifts so please drop off anything suitable to the school office.

Christmas Cards

This half term the children are getting busy designing artwork to feature on their very own Christmas cards. Artwork and order forms will be coming home to you in time for half term. Details of how to order and make payment will be on the form and all forms will need to be returned to school by **Wednesday 2nd November.**

Christmas Jumper Sale

For the first time we will be trialing a Christmas Jumper Sale this year. Please donate any Christmas jumpers that children have outgrown to the school office. We will hold the sale in late November (date to follow) in the playground to raise money for the PTA, all whilst being a little kinder to the planet!
