

New School Year

On behalf of the whole school community I would like to warmly welcome you back to the new school year. I hope that you had an enjoyable summer holiday. The children have certainly had lots of exciting stories to share! The teachers and staff have all been busy making sure the classrooms are set up for fantastic learning experiences this year and it has been wonderful to see the children settling in so positively and enjoying spending time playing with their friends from all the classes across the school.

A special welcome to all our new children and families. It was lovely to see so many children come into school with big smiles, looking smart and ready for new learning adventures and opportunities.

We also welcome back Miss Collins who is teaching Fox class.

I am extremely honoured to take up my new post as Head Teacher of Ubley Primary School this week and am very excited about the challenge of leading this wonderful school. I am very much looking forward to getting to know your children, celebrating their achievements working with the staff, children, parents, the Governors, the church, the Lighthouse Schools Partnership and the whole community to build on the previous achievements of the school.
