

Ubley C of E Primary School Newsletter

April 8th 2022

It has been a very busy term with lots of exciting and memorable events for the children including all the Science Week workshops and activities, engaging trips, Bikeability for the older children and World Book Day.

I know how many of you have appreciated coming back into school for parents' meetings and curriculum events such as the Science exhibition. Thank you for all your supportive comments and messages. I would also like to say a huge thank you to our fantastic, caring staff team for all their dedication and resilience this term.

Have a lovely Easter holiday and we look forward to seeing all the children, refreshed and ready for new exciting learning and events next term. We return on Monday the 25th of April.

Ian Harvey

Dylan won the prize for his poster on Dmitri Mendeleev, well done Dylan.

PTA Easter Egg trail

The trail will be held on Sunday 24th
April, flyer attached.

Win a Pet Portrait

The winner of the pet portrait is
Mrs Watson will contact you
shortly

Otter Class, together with Year 3 children from Squirrel Class, enjoyed a trip to Bath Abbey on Friday 1st April for the 'Easter Experience'. Children found out about Bath Abbey and its history and spent time in the new Learning Centre located in the vaults below the pavements of Bath. Once inside the Abbey, children learnt about many aspects of the Easter story, including the Garden of Gethsemane, the Last Supper, Jesus' arrest and, of course, the crucifixion and resurrection. This photo shows some of the children learning about the Last Supper.

Hedgehog Class – Surprise Soup

The children in Hedgehog Class made nettle soup, they picked the nettles (carefully!) cooked them and then tried the soup. All the children tried the soup and lots asked for a second helping.

Bikeability

All of year 5 and year 6 have completed their Bikeability, and have developed their cycling skills and have learnt safe riding techniques on the roads.
