School Meals

Please make sure you order you meals for the next term.

Start and End of the Day

There are quite a few children not being collected or dropped off at the correct time

Please can you ensure your child arrives at school promptly at their allocated time. Your child will be marked as late if the register has closed when they arrive.

Children also need to be collected at the correct time at the end of the day.

Absence from School

Covid 19

If your child is absent from school please can you inform the school office, this can be by phone (please leave a message) or email, rather than via Class Dojo.

The school needs to be aware of an absence by 9.30am.

If your child should contract Covid 19 within 2 days of finishing school today, you will need to email the school as we will need to inform the class bubble and teacher.

Smartie Challenge

A huge thank you to everyone who got involved in the smarties challenge.

We were blown away by the amount of children who did jobs for their friends & family and can't thank you all enough. In total the children raised a huge **£846.33** for their school. This money will go towards the next big project for the school - a new covered area for the front playground.

We thanked all the children for their amazing effort by using a little of this money to buy some new games for each of their classes to use in golden time or wet play. And there was a special smarties brownie cake for the class who raised the most money (a huge thanks to Tammy Mitchell for this) - well done Squirrels!
