History <b>The Great Fire of London</b>	Where and when did the Great fire of London take place?	Why did the fire spread so quickly?	How did people try to put the fire out?	How long did the fire last?	Who was Samuel Pepys and what can we learn from him?	How has the Great Fire of London affected life today?
	<a href="#">Oak KS1: The Great Fire of London</a> Start at lesson 1 and complete 1 lesson a week.					

<b>Geography</b> <b>Our School</b>		How would you help a visitor in our school find their way around?	Can you create a simple map of our school?	Can you find our school on an aerial photo/map?	What type of place is our school located in?	
	<a href="#">Maps</a> Can you create a map of your house or the street where you live? Watch the video via the link before you get started.					
<b>Science</b> <b>Everyday Materials</b> <b>Seasonal Changes</b>	What animals will I see around school? How do animals adapt during the changing seasons?	What can you tell me about these objects?	What materials can we find around out school?	Explore materials that have been washed up on the beach. How could you describe the objects in a bag? How could you sort the objects?		Which of the materials found at the beach will sink/float?
