Absence from School

If your child is absent from school please can you inform the school office, this can be by phone (please leave a message) or email, rather than via Class Dojo.

The school needs to be aware of an absence by 9.30am.

Mrs Tranter will call you back if needed.

If your child is unwell we will need a detailed description of their symptoms.

If your child is away from school due to themselves or a family member having Covid 19 it would be helpful to have a copy of the text message you receive so we can ensure dates for isolation and return to school are correct.

PE on Wednesdays

PE will take place every Wednesday for all classes so please ensure your child wears PE kit and trainers that day.

Thank you

Once again thank you all for your continued support of the school during these unusual times.
