Sikh Visitor and Assembly

On Monday, we were visited by Mr Singh for a whole school assembly and class workshops about his religion, Sikhism. The children were really engaged during the morning assembly; we particularly enjoyed how he encouraged the children to repeat the importance of 'staying true to who you are' and remembering that 'everyone is equal'. The children loved seeing all the different objects that are significant and important in Mr Singh's life. It was wonderful to see the children asking lots of questions.

70 TREES FOR 70 YEARS

As part of the ongoing celebrations for Queen Elizabeth II's 70 years on the throne, 70 trees were planted on Duchy of Cornwall land at the bottom of the Coombe with the help of Otters and Squirrels. In years to come, this will turn into a beautiful woodland area. The children were fantastic – well done. They should sleep well tonight 😊

SCIENCE WEEK AWARDS

A huge thank you, to all the children that took part in the science home challenge. It has been wonderful to see science in action with all the fantastic entries. Thank you, also to family members for all your support and encouragement.

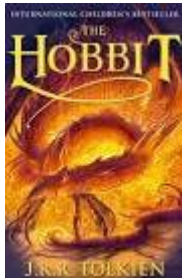

Book of the Week

Mr Riley recommends The Hobbit by J.R.R. Tolkien. This is my all time favourite book. It is pure escapism and it is such an immersive book, it makes you want to live in Middle Earth. It is a joy to read from start to finish and it is a book that I always come back to and discover new things every time I read it. Once you have read the book, the film adaptations are extraordinary.
