Library Card application forms

These have now come home with all the children. Please fill them in and return to any local library and collect their new library card. The first visit will be for Otter Class on 17th October, followed by monthly visits for other classes. If your child has a library card they are able to choose a book from the van and take it home with them.

Year 6 took part in the Bikeability scheme this week

“It was an enjoyable and interesting activity that we all loved. We got to learn new things like road safety, how to signal and what to do at a road junction.”

Their instructor Steve said “For a lot of children this is their first taste of independence and learning these skills will put them in good stead for the future. They had an adventure in the rain today and came back smiling!”

Nasal flu spray reminder

To consent to, or to decline the flu vaccination for your child please click on the link sent in the email earlier this week from school

Please note that the link will close at midnight on 13th October 2022

It is important that you respond prior to this date for your child to receive their flu immunisation at the school session as there will only be one visit to their school this season.

If you miss this deadline, your child(ren) will not be vaccinated at school, however you will have the opportunity to book them into a community catch up clinic.

This also applies if your child is absent or refuses the vaccination at school.

Thank you
